

SUNNYSLOPE HIGH SCHOOL PARKING MAP

PARKING MAP

Sunnyslope has added more parking in recent years to the front lot. However, if you are just dropping your dancer off, we will have a staff member at the gate to assist them checking in so you can go and park your car. If you want to escort your dancer into the school, then you will need to park first.

Please be prepared for needing to park in the overflow lot (LOT B behind the Sunnyslope pool) if the front lot is full. Remember, there will be a line of cars waiting to get in so if you are just dropping off, please do so quickly and continue on so the next car can pull up!

NOTE:

- If you park in Lot B, you can follow the yellow arrows to walk around the side of the auditorium to the front.
- If you are dropping off & then parking, enter through the LOT A entrance and pull up to drop off at gates
